**Striped Surf Cloth Suits**

—Prettily Piped with White  
—Brightened by White French Dots

**And Priced Specially \$5.95**

The material (all black, in a striped effect) is smart to begin with. The scalloped hem with its piping of white is another step toward smartness. And the pretty white dots add a final supreme touch.

The straight, slimly-belted model is comfortable as well as attractive. It's a right good suit at a right little price.

**And at \$5**

there are two most interesting models of black surf cloth. One designed for slender Misses—gayly ruffled about its hem and its pockets and piped with white or a color.

The other cut to suit the Woman of larger proportions—straight of line, simple and quite cleverly trimmed with self material.
